“Treason to whiteness is loyalty to humanity”

Race Traitor Anthology

*Winner of the 1997 American Book Award
Before Columbus Foundation*

“RACE TRAITOR is the most revolutionary challenge to racism made by American-European intellectuals in my lifetime.”

- Ishmael Reed

“RACE TRAITOR is among the strongest, funniest and most politically charged critiques of whiteness to appear since slave story tellers spun out the ‘Master and John’ tales.”

- David Roediger, University of Minnesota
author of *The Wages of Whiteness: Race and the Making of the American Working Class*

“The articles collected here do violence to liberal complacency and scholarly apathy. More such race treachery, such loyalty to mankind is needed.”

At a time when white supremacist thinking seems to be gaining momentum, RACE TRAITOR brings together voices ranging from tenured university professors to skinheads to prison inmates to discuss the “white question” in America.

Noel Ignatiev is a Lecturer at Harvard University and the author of *How the Irish Became White* (Routledge 1995). John Garvey works in the Office of Academic Affairs at the City University of New York. Together they are the founders and editors of RACE TRAITOR: A JOURNAL OF THE NEW ABOLITIONISM.
